Mrs. Perry Ashley, South Bend, Ind. R. R. 1, Box 52.

The other prize winning recipes follow:

**Ways to use green tomatoes.**  
**(Stuffed Tomatoes.)**  
 Select some nice medium size green tomatoes, after washing them cut off the top and with a spoon scoop out the inside just leaving a nice shell. Then have cabbage shredded fine, salt and add celery salt or seed to season and then stuff each tomato with this mixture and fasten with tooth pick; place in crock and cover with vinegar. These are delicious and will keep all winter.

**(Spiced Tomato Pickles.)**  
 Slice green tomatoes and salt them in sand overnight, next morning peel and slice as many onions as you have tomatoes. Then take vinegar enough to cover the amount of onion and tomato you have and sweeten to suit taste, also add cinnamon, allspice and cloves done up in a bag, put in a kettle and boil for five minutes then rinse off tomatoes in cold water and put onions, tomatoes and vinegar all together and boil till tender, put in glass jars and seal. These are fine to serve with all kinds of meat.

**Green Tomato Pie.**  
 Make crust same as for any pie, then fill with green sliced tomatoes to each pie, add 1-2 cup of sugar sprinkle with cinnamon and dot with butter, put on top crust and bake.

Mrs. Edwin Albert, 217 Queen st., Goshen, Ind.

**Recipes For Child's Party.**  
**Ribbon Sandwiches.**—Cut a thin slice of bread, and butter on both sides. Place layers of deviled ham between and press entire sandwich. Slice crosswise, or use alternate slices of white and brown bread with filling of cream cheese and olives. Another way is to cut the entire loaf in four equal parts, freeze, and spread with filling, then put together in shape of original loaf, wrapping in cloth, airing out of cold water until serving time. Cut loaf in ordinary way in half, each.

**Birthday Candles.**  
 Place slice of pineapple on flat plate making center hole large enough for half banana to stand upright. Slice blanched almond in row for wick and use strip of candle orange or tannin pool for candle stick handle.

**Fruit Cookies.**  
 Work together 1 cup butter with 1-2 cups brown sugar, add 1 egg and 1-2 cup milk. Stir 2-1-2 cups flour with 1-2 teaspoons baking powder and add. This should roll easily but if too soft add a little flour. Divide in two parts and roll

ed water sandwiches, with cheese filling; "Food for the gods," whipped cream and coffee, candy. This makes a very delicious supper.

**Chicken Souffle.**—Take 2 table-spoonsful of flour and butter, 1 teaspoonful of salt, 1-2 teaspoonful of pepper, 2 cupfuls of scalded milk, 2 cupfuls of cold chicken, 1-2 cupful of bread crumbs, 1 table-spoonful chopped parsley, 3 eggs, make a white sauce of butter, flour, salt, pepper and milk. Add the crumbs and cook until thick, take from the fire and stir in chicken, parsley and the yolks of the eggs, beaten until thick and lemon colored. Whip the whites until stiff and dry and fold in. Pour in a buttered dish and set in a pan of hot water to bake in a hot oven 35 minutes. This is a wonderful supper dish. To avoid any disappointments in quantity you want to prepare a plenty. Head lettuce leaves that are crisp and creamy are pretty containers for the salad. If carefully removed and kept very cold they are cream, shelllike and very good looking. The long, slender water should be chosen for sandwiches. Break the pairs apart very carefully and spread with the following: Mix a cupful of softened butter with 5 cups of grated cheese, season with 1-2 teaspoonful of cayenne pepper and if butter is mildly salty add salt to make the mixture properly seasoned. Mix to a smooth paste. Carefully spread wafers and press together in pairs. In brown slightly. Anything you wish in the way of relishes, as pickles, olives or dainty molds of cranberry jelly may be added, or if the dessert suggested causes too much expense, sweeten, flavor, and whip rich cream; all fruit or nuts, as you wish, put out of doors in freezing temperature for several hours. This gives a smooth, rich cream that with one-crust apple or cherry pie, in del. Mrs. Florence Hoan, 917 E. LaSalle av.

**Candies.**  
 Little candy boys and girls may be made thus. For the girl take 2 small sticks of candy, put 1-2 marshmallow on top for head, then 2 full sized mallows further down for straight dress. Use half sticks for arms and a chocolate cream for hat. Stand on a small cake of sweet chocolate and paint features with tiny brush dipped in melted chocolate.

**Birthday Cake.**  
 One tablespoon butter, creamed with 1 cup sugar, add 2 eggs, beaten separately, 1-2 cup milk, stir in 1-1/2 cups flour sifted with 2 teaspoons baking powder and pinch salt, add 1-1/2 cups raisins and nut meats rolled in 2 tablespoons flour. Bake in round loaf, ice and decorate with candies.

**The Club Supper.**  
 A nice club supper, to which you invite your husbands, should be generous as well as "the best ever," for who enjoys a good meal, mixed with neighboring visiting, so well as men folks? Grape juice with wafers makes a nice beginning, more wafers have a supply of this in their cellars. It's a very pleasing cup to what appetites. Buttered Dutch buns, flour once, then measure into the in plenty, chicken souffle, rice potatoes, apple and celery salad, toast-

**One cup butter, 1 cup brown sugar, 1 cup cane molasses, 2 eggs, 1 cup sweet milk, 4 cups flour, 4 level teaspoons baking powder, 2 level currants, 1-2 pounds raisins, 1-2 pound citron, 1-2 pound dates, 1-2 cup nut meats, 5 large gumdrops, 1 small bottle marachlono cherries, one table-spoonful cinnamon, 1 table-spoon nutmeg, 1 table-spoon cloves, a little orange and lemon peel; Grind or chop all fruits, nuts and bake two hours. This is a large recipe and is also used as a Hallowe'en cake. It should be baked in two porcelain tins. Wrap in paraffin paper and keep for a few days, then carefully scoop out center of one of these cakes on the flat side until you have a good sized hollow space. Fill this with nuts, stuffed dates figs or bitter sweet. Cut a paste board to fit over the top then lay on the other cake flat side down and you will have a large cake. Coat the entire surface with a vivid yellow frosting made of yolks of eggs and confectioners sugar. In serving this the hostess will cut the upper half of cake remove the paste-board lid and the candy and nuts will suggest the next course.**

**Bride's Cake.**  
 Three-fourths cup butter, 1 3-4 cups sugar, 6 egg whites, 1 cup milk, 4 drops vanilla, 3 1-2 teaspoons baking powder, 1-3 teaspoon rose-water, 3 1-2 cups pastry flour.

Line the bottom of a large cake pan with plain white paper. Oil the corners of the pan and about one inch of the sides. Do not grease the paper or the pan under it. Sift the sifter, add the baking powder, and sift six times. Cream the butter and add the sugar gradually. Beat the white of eggs until fluffy and dry. Whip the butter and sugar mixture until light and then fold the beaten whites carefully into the mixture.
